Social Registers for Chicago, Boston, Philadelphia, Washington, New York and Baltimore are issued in November, February, May and August. They record the full names and addresses of the several members of prominent families grouped together, the clubs to which they belong, and the marriage, death and European arrival and departure of each person as it may occur.

The names of Juniors { Misses from 12 to 17 / Mrs " 14 to 20 } appear underneath the names of older members of their families.

On the last pages of these issues will also be found an index of marriages and deaths and an alphabetical list of the maiden names of married women.

The February and May issues contain changes of address, etc., that have been made since the November number. The August number gives the country or foreign addresses of all these cities in one issue.

Social Registers for Chicago, New York, Philadelphia, Washington, Boston and Baltimore are issued in November, February, May and August. They record the full names and addresses of the several members of prominent families grouped together, the clubs to which they belong, and the marriage, death and European arrival and departure of each person as it may occur.

The names of Juniors { Masters from 12 to 17 / Mrs " 14 to 20 } appear underneath the names of older members of their families.

On the last pages of these issues will also be found an index of marriages and deaths and an alphabetical list of the maiden names of married women.

The February and May issues contain changes of address, etc., that have been made since the November number. The August number gives the country or foreign addresses of all these cities in one issue.

Dilatory Domiciles——First consult Dilatory Domiciles under front cover of this book for all changes.

If the name be not found there, it is correct in the main book.

Changes of address will be inserted, without charge, in "Dilatory Domiciles" which are sent *only* to subscribers for the year.

Social Registers for Chicago, New York, Washington, Philadelphia, Boston, Providence, St. Louis, Pittsburgh, St. Paul and Minneapolis, San Francisco, Baltimore, Buffalo, and Southern Cities from Richmond to Atlanta, appear in November, with Dilatory Domiciles in December, January, February and April; and the Summer Social Register, with country and foreign addresses of all combined, will be issued in June, with Dilatory Domiciles in July. The names of Juniors { Misses 12 to 17 / Mrs 14 to 20 } appear under the names of older members of their families.

On the last pages of these issues will also be found an index of marriages and deaths and an alphabetical list of the maiden names of married women.

The subscription is **$5.00** per annum for each city.

A subscription of **$25.00** will include *all* the issues for Chicago, New York, Washington, Philadelphia, Boston, Providence, St. Louis, Pittsburgh, St. Paul and Minneapolis, San Francisco, Baltimore, Buffalo, and Southern Cities from Richmond to Atlanta, for one year; or any *three* for **$10.00.**
